KEY:

Number of forecast closures per week/month (NZTA and CCC)

NZTA Single Lane Closures

CCC Single Lane Closures

NZTA Full Tunnel Closures

Confirmed - actual days of the month for lane or full closures
Planned - weeks of the month identified for lane or full closures
Forecast - number of lane or full closures identified for the month

Where possible, NZTA and CCC are working together for night works to minimise the impact from lane closures
Please note: Closures are planned to the best of our knowledge, but may be subject to change
